

Right, wrong, or indifferent, they deserve that kind of assurance, that kind of confidence that they will have the farm program to back them up and their bankers are supported in that regard as well. So I am asking my colleagues to support H.R. 2 and fend off those poison pill amendments.

Mr. Chairman, I yield back the balance of my time.

The CHAIR. All time for general debate has expired.

Mr. CONAWAY. Mr. Chairman, I move that the Committee do now rise. The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. COLLINS of Georgia) having assumed the chair, Mr. MITCHELL, Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 2) to provide for the reform and continuation of agricultural and other programs of the Department of Agriculture through fiscal year 2023, and for other purposes, had come to no resolution thereon.
